

Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Friday 26 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Showery on Friday, some turning wintry on higher ground.

Today:

Rain and hill snow clear east early in the morning with bright or sunny spells and showers to follow. Showers often heavy with some hail and thunder likely, and turning wintry to increasingly low levels through the day. Maximum temperature 8 deg C (46 deg F).

Tonight:

Wintry showers will continue through the evening and overnight, these heaviest and most persistent during the evening, becoming increasingly scattered overnight. Minimum temperature -1 deg C (30 deg F).

Saturday:

A cold start. Scattered wintry showers become lighter and less frequent through the morning. Cloudier and breezier in the afternoon, rain and gales spread east from mid afternoon. Maximum temperature 8 deg C (46 deg F).

Outlook for Sunday to Tuesday:

Mostly dry but cloudy on Sunday. Rain Sunday night, this likely to persist through Monday and into Tuesday. Rain clears later Tuesday, sunny spells later.
